Have trips for multiple travelers?

■ To avoid confusion with multiple traveler's trips, follow these steps to rename the trip:

1. Go to "My Trips"
2. Select a trip
3. Click your device's menu button, and select "Edit Trip"
4. Change the trip name, and hit Save
5. Done!

Now you can...

- See all your traveler's trips in one place on your mobile device
- Receive alerts if your traveler's flight is delayed, canceled, or their gate is changed
- Check the weather in the location they're going to
- Research alternative flight options if plans change
